We Bring The Solar System To You! The Field Trip to the Planets That Comes to You!

It's an experience you won't soon forget!

Stargazing For Everyone's Professional Stargazers bring the solar system to your school inside our Planetariums. Explore the Sun, Moon, planets, asteroids, and comets with stunning realism. Inside the Planetarium we use high resolution NASA images to bring the Solar System to Life!!

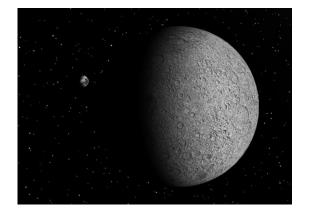

Each Planetarium presentation educates, enlightens and provides a captivating 'edu-tainment' event for all grade levels wishing to enjoy the wonders of our solar system. Learn about a lunar or solar eclipse, explore the Galilean Moons of Jupiter, the rings of Saturn or Halley's comet.

All presentations are customized to match your school and classroom curriculum requirements and are aligned to the National Science and Arizona State Standards.

Appropriate for all grade levels.
